

NED UNIVERSITY OF ENGINEERING & TECHNOLOGY
Centre of Professional Excellence (CoPE)
Offers

4-month **CERTIFICATION** course on

Certified Supply Chain Professional

Batch
IV

16 CPDS

(CSCP from the latest edition)

ABOUT THE PROGRAMME

In today's mercurial world of business, few would argue with the need to have a few tricks up your sleeve. It has never been more important to micro-manage costs in all sectors by increasing efficiencies within the overall supply chain.

ABOUT CSCP CERTIFICATION

APICS, The Association for Operations Management, USA introduced CSCP certification program to develop and recognize professionals in Supply Chain Management. The CSCP program is contained in a body of knowledge developed by APICS and professionals can now obtain qualification as a Certified Supply Chain Professional (CSCP) after meeting the minimum qualification requirements and passing an examination conducted by APICS that is affiliated globally.
