Date: July 5, 2021
Ref: Academy / 2721

NOTICE

It is hereby notified for information to all students who have passed three (3) or more courses of their Postgraduate Diploma (PGD) Programme that the last date for Project Registration is hereby extended up to Friday, July 9, 2021 without late fees.

Please note that the usual duration of Project is four (04) months and the fee of Project is Rs. 22,000/- that may be paid in two (02) equal installments – one now and the other with the registration of next course. Those who have already submitted full project fee can take the benefit of paying only the course fee in the next registration.

Project Registration URL: <https://academy.neduet.edu.pk/pgd-final-project-registration-form>

Please be mindful that if you are unable to register for the Project by Friday, July 9, 2021, Academy may not be able to offer you project with the current batch of students and the project commencement may get extended to the next batch, which would translate into your PGD completion time getting extended. On the other hand, there is no compulsion to register in Project now and you can defer it for later if you intend to focus on your project separately. Successful completion of project, however, is essential for completing your PGD.

A Project Orientation Session for registered students will be held during next week. Schedule will be communicated to registered students soon by respective Focal Person.

Thank you,

Prof. Rizwan U. Farooqui
DG Academy
